## Annual Ice Cream Social Wednesday, July 11, 2012 6:30-8:00 PM Chuckanut Firehouse

Everyone and their guests are invited. There's going to be free ice cream, tours of the fire trucks for kids, a DJ playing 50-60's Sock Hop Music, and a chance to meet the Park Rangers from Larrabee State Park.

A rollicking good time with good neighbors and good friends

Celebrate the summer in style-come cool down and fill up on ice cream. There's a rumor the two flavors will be Cookies & Cream and Luscious Strawberry.

Hope to see you there!

# President's Message

With two recent home break-ins during the last few months, the value of neighborhood security and communication becomes more apparent. The latest occurred over Memorial Day weekend on Whitecap Road, when the residents were out of town. A full report has been posted as a User Bulletin, by CBCA Vice President (and Whitecap Road pod captain) Chris Donaldson, on our website -- [www.chuckanutcommunity.org](http://www.chuckanutcommunity.org).

User Bulletins are accessible to those who sign in with usernames and passwords, so if you haven't signed up yet, send an email to [admin@chuckanutcommunity.org](mailto:admin@chuckanutcommunity.org) requesting your registration code. As a registered user, you will be able to read and post User Bulletins, have access to the online directory, and edit your own directory entry.

General bulletins are available to all those who go to the website, without needing a login. However, potentially sensitive information, such as the above-mentioned report, is password protected.

On a more positive note, the Annual Chuckanut Ice Cream Social is coming up on July 11th at the Chuckanut Firehouse. You and your guests are invited for free ice-cream, firetrucks on display, a DJ playing 50-60's music, and the Park Rangers from Larrabee State Park. Thanks to Chris Donaldson for taking the lead on organizing this event.

Hope to see you there!

J. Michael Newlight  
President

### Recent Robberies in Our Area

As a precaution to our neighbors, we are taking this opportunity to alert you to the fact that our home on Whitecap Road was burglarized over Memorial Day weekend. There was also another robbery on the Hiline Road earlier this year.

In both incidences electronics were taken and in our case, jewelry and personal items as well. It was reported there was more than one person involved and a getaway car was parked along the road in the Hiline incident.

It was obvious in our case they were here during the night and felt comfortable taking their time to go through everything in the house.

The Sheriff said that it is very common to have this happen during a holiday as people are often away. We should; of course, do all we can personally to prevent a break in but collectively we can all keep our eyes out for parked cars along the side roads, especially at night. We should perhaps jot down the license number or a description of the car or truck when possible.

It has been suggested that we use our Pod Captains to inform everyone when a robbery has occurred. This would keep fresh in our minds the possibilities of a break in in our neighborhood.

A web site has been established at [Chuckanutcommunity.org](http://Chuckanutcommunity.org) for these kinds of situations. The Bulletin Board would be the logical place to enter information about a robbery.

We would appreciate our neighbors sharing information with us all for the betterment of our community.

Stay alert over the upcoming 4<sup>th</sup> of July holiday!

Ron and Sue Barter  
Whitecap Road

#### Chuckanut Footrace

Come out and cheer the runners and walkers in the 45<sup>th</sup> annual Chuckanut Footrace on July 7. The seven-mile race starts at Marine Park at 9am, follows the Interurban Trail, and finishes at Larrabee State Park with live music, food and drink. This race was initiated in 1967 by Chuckanut residents **Dr. John and Nancy Arnold and Frank Schultz** under the leadership of the Cascade Wilderness Club as a way to get in shape for summer.

## Smoke Alarm Safety

By Erica Work, Public Educator, South Whatcom Fire Authority

Did you know that having working smoke alarms in your home more than doubles your chance of surviving a fire? Most fire fatalities occur at night when people are asleep, and in homes without an adequate number of working smoke alarms. Below are some tips to protect your family in the event of a fire.

- Smoke alarms should be placed in each bedroom, outside each sleeping area, and on each level of your home in main living areas.
- Change your smoke alarm batteries at least once a year, or buy alarms with 10-year lithium batteries that don't require changing.
- Test your batteries monthly by pushing the test button on your alarms.
- Vacuum your alarms a few times a year with a wand attachment.
- Replace your entire smoke alarm units every 7-10 years.
- Children often sleep through the sound of a smoke alarm.
- Your home escape plan should include waking children while leaving the house.

South Whatcom Fire Authority has a limited number of smoke alarms available for residents of our region. Contact Erica Work at [ework@whatcomES.org](mailto:ework@whatcomES.org) if you are unable to replace outdated smoke alarms on your own.

## CPR

A free CPR class for South Whatcom Fire Authority residents is scheduled for Monday, August 13th, from 6:30-9:00 p.m. at the Geneva fire station, 4518 Cable Street. Topics covered include adult/child CPR, use of the automated external defibrillator (AED), and relief of choking. Students will receive a completion card from the American Heart Association at the end of class. To sign up or for more information contact Erica Work at [ework@whatcomES.org](mailto:ework@whatcomES.org) or 360-220-2994.
